All contracts must be signed by the Chairman of the Executive Committee, and copies of such contracts shall be filed with the Executive Committee before same shall take effect.

No money shall be disbursed by the Treasurer, except in payment of checks bearing the approval of the Chairman of the Executive Committee, JAMES L. NORRIS, and countersigned by J. FRED. KELLEY, Secretary of the Executive Committee.

The Treasurer shall report to the Executive Committee, at each meeting thereof, the amount of disbursements and the balance on hand.

---

It is deemed advisable to announce that, while the several committees herein named will spare no pains or exertion to extend to all visitors a hearty welcome and to make every possible provision for their comfort, whether coming as individuals or as associations or military organizations, the free entertainment of any portion of them is beyond the means or power, and that no applications of such a character will be considered. They hope, however, assisted and sustained by all classes of citizens, to keep prices for every variety of service down to ordinary rates, and can be relied on in every way to prevent extortion or extravagant charges.
